**A SINGLE 3-IN-1 PRODUCT
SUITABLE FOR ALL SURFACES**

Anti-dust polishing detergent. Protects and makes furniture and surfaces shine.

WHAT IS IT FOR?

- CLEANS AND SHINE ANY TYPE OF SURFACE in a single wipe, eliminates dirt, dust and fingerprints, restoring shine to surfaces.
- REDUCES allergenic residues of mites.
- ANTISTATIC: delays dust deposition.
- PROTECTION OF FURNITURE: creates a protective repellent film against dust and humidity
- CLEAN FEELING: leaves a pleasant aroma and a nice feeling to the touch.

WHERE AND HOW IS IT USED?

- Shake and spray onto the surfaces. Wipe with a dry, lint-free cloth.
- For cleaning FURNITURE (tables, chairs, wardrobes, etc.), OBJECTS (handrails, chandeliers, etc.) and SURFACES (painted, lacquered, plastic, inox steel, etc.).
- GLASSES AND MIRRORS: ideal for transparent surfaces, leaves no residue and removes dirt.
- WOOD: excellent results on lacquered wood, furniture restoration, wooden doors, etc.
- ELECTRONIC DEVICES: screens, TV, LCD, smartphones, tablets, lenses, plastic parts, etc.
- CARS, CARAVANS: cleans and polishes all interiors (dashboards, glass, mirrors, etc.).

BENEFITS

CONVENIENT AND EFFECTIVE

- **A single 3-in-1 product** suitable for TV screens and most delicate materials.
- Removes dirt, dust and fingerprints in a single wipe, protecting the furniture.
- **Quick evaporation:** does not leave marks, allows a quick cleaning without even wiping twice.
- Creates a **healthier environment in your home** removing allergens from mites thanks to its **biological ingredients**.

ENVIRONMENTALLY FRIENDLY

- **ECODESIGN** certification: with equal or greater effectiveness, product with low environmental impact, manufactured with safe raw materials for the environment. Certification in compliance with ISO14006 standards
- **Does not contain propellant**, or metal components, the bottle is recyclable.
- **Biodegradable**.

360° SAFETY

- **Exempt from hazardous labelling:** not hazardous for health and the environment.
- Suitable for **all types of materials and surfaces**, even the most delicate.
- **NON-corrosive, NON-flammable, NON-toxic**.

OUR ADVICE

- **USE LITTLE:** a limited dose for a better result.
- **DUST:** spray the product on the wiping cloth.
- **CLEANING:** apply directly on the surface.

All the ingredients, and in particular the surfactants, aromas and fragrances if present, have been carefully selected to ensure maximum product efficacy with the minimum impact on the environment and on human health according to what established by the international standards of Ecolabel and Ecodesign
